- Playing cricket
- Reading books

CERTIFICATION

- Python programming
- C   programming
- C++ programming

PROFILE

A driven programmer and enthusiastic learner who is eager to take on new challenges and work with various technologies and fields. Excited to engage in opportunities and projects that allow for growth.

PROJECT

- ### Online Leave Managenment System

The Online Leave Management System is a web-based platform builtPHP and MySQL that allows college students to submit leave requests   with supporting documents. It streamlines the approval proccess forfaculty, enhances transparency, and reduces paper works

- ### Farmer App Development

The Farmer Collection App is a Flutter-based mobile application designed to help collectors efficiently record and manage crop collection events. It enables users to input species details, capture photos using the device camera, and record GPS locations along with quality metrics like weight, city, and grade. All data is securely stored locally

EDUCATION

BE-Computer Science And Enginnering -Bannari Amman Institute Of Technology 2024-2028

Saratha Matriculation Higher Secondary School

H.S.C - MATRIC with 93.1% (June 2023 - March 2024)
S.S.L.C - MATRIC with 82.4% (June 2021 - March 2022)

AREA OF INTEREST

- Java Programming
- Problem Solving
- Debugging
